

Hillcrest Outdoor Classroom Fundraiser

Show your support for the Outdoor Classroom with the purchase of an engraved brick. These **12" square red bricks** will be the seating area of the weather station in the outdoor classroom. Funds raised from this will assist with the completion of future aspects of the outdoor classroom such as the pergola and trails. All bricks have a lifetime guarantee.

In order to install the bricks in a timely manner, we ask families to order their bricks by **September 14th**. There are a total of 16 bricks yet to be sponsored for the weather station area. They are available during this fundraiser, on a first come, first serve basis. You will be notified upon receipt of your order.
